Mikel was working alone in his office late one night when a few plaster bits fell to his desk. He looked up and dashed to safety under a nearby counter while the ceiling collapsed, smashing typewriters and covering the floor with a foot of rubble.

Marsha McGuire reported on the philanthropic work of her chapter and it was awarded second place in hours spent in philanthropic work. Nationally the sorority supports the Delta Theta Tau Nursing Home in Kentucky where nurses are trained and serve the needs of the mountain families and also operate a clinic. During the past year \$124,185.32 for charity was spent by the chapters in their own communities.

At a community school founded in Brinkley, Ky., the third generation of children are attending. Two \$5,000 scholarships were awarded by the sorority last year to the Pilot Guide Dog foundation for the blind. The same amount was awarded to the Magnetic Springs Polio foundation in Ohio. The delegates to the convention reported a happy week end and many fine ideas for future philanthropic work were brought back.

"NATURE KNOWS NO PAUSE IN PROGRESS AND DEVELOPMENT"

—Johann Goethe

Our fight against sickness is a continuous one. Research workers are always seeking better drugs and new treatments. About one-third of the ingredients in last year's prescriptions were unknown the year before.

We must keep well informed. A newly discovered drug can almost overnight change a physician's prescribing habits, so that there is no further need for the replaced drug. Every prescription pharmacy regularly discards these drugs that are no longer used.

Despite all this, the cost-per-illness of medicines grows less each year. You get better so much more quickly.

Doctor Says TB Still Major Medical Problem

FOREST PARK, Ill. (AP) — A doctor who has spent much of his professional life fighting tuberculosis says the once-dreaded "white plague" still is a major medical problem.

Dr. E. A. Piszczek, executive director of the Suburban Cook County tuberculosis sanitarium, said there has been a popular misconception for many years that TB is "under control."

Piszczek and his staff know better. They are waging an unrelenting fight against a "forgotten disease."

"There still is no sure preventive for tuberculosis," he said, "and there is no known cure."

Piszczek said many people are lulled by the fact that the TB death rate has declined from nearly 200 deaths per 100,000 population in 1900 to about 10 per 100,000 in 1956.

But he said there has been no

appreciable decline in the number of new cases reported yearly since 1930. Last year, he said, there were 161,276 cases and 13,810 deaths reported, and the figures for 1957 are expected to be about the same.

"Since we still have no cure for TB this means we have an ever-increasing number of victims who will need care all their lives," he said.

The growth of cities has added another headache to the problems of health officials attempting to stamp out TB.

"Tuberculosis is roughly three times as prevalent in the city as in suburban areas and three times as prevalent in the suburbs as in

rural areas," Piszczek said.

Piszczek was emphatic in his statements that there is no sure preventive and no known cure for TB.

"At the present, through the use of drugs and surgery, we can keep people alive, but many of them can never be returned to anything like a normal life," he said.

Many of the Mescalero Apache Indians, who occupy a reservation between the resort towns of Cloudcroft and Ruidoso, in southern New Mexico, are descendants of Geronimo's warrior band, the last Indian group to lay down arms against the United States.

In Memoriam
In loving memory of our beloved husband, father and grandfather, Joe Shires, who passed away Dec. 2, 1948:
Treasured thoughts of one so dear,
Often bring a silent tear;
Thoughts return to scenes now passed,
Time rolls on but memories last.
Mrs. Rena Shires, Kenneth Shires and family, Lillian Layton and family, Sybil Markham and family and Mary Lou Beal and family.

In Memoriam
In loving memory of Martin Floyd Nagel, who died in 1919 at the age of six years:
The fairest lilies are first to fall,
The sweetest first to fade;
The fondest, dearest, best of all,
At peace, rest is laid.
As some sweet blossom droops and dies,
Sadly missed by his parents, Mr. and Mrs. Fred Nagel, and sisters, Margaret, Mary and Nell.

Spahn Named Outstanding Pitcher in '57

NEW YORK — Warren Spahn, who dislikes "talk about my getting old," succeeded where Ted Williams failed today by winning the Cy Young award as the major leagues' outstanding pitcher in 1957.

The 39-year-old Williams of Boston was beaten at the ballot box—some say unfairly—by young Mickey Mantle of the Yankees in the voting for the American League's "most valuable player."

But the 36-year-old Spahn, who won more games than any other pitcher this year, ran away in the voting for the top pitching award by getting the nod from 15 of the 16 members of the Baseball Writers Association Selection Committee.

The lone dissenting vote went to righthander Dick Donovan of

the Chicago White Sox, a 16-game winner.

Spahn has won 20 games in a season more often (eight times) than any southpaw in National League history.

With 21 wins and 11 losses this year, Spahn topped the only other

Celtics Suffer First Loss

By United Press
They knew it had to happen sometime, but you couldn't blame the Boston Celtics for moaning today about their first loss of the season.

After winning their first 14 games to drive close to two National Basketball Association records, the Celtics finally were beaten Thursday night, 97-80, by the New York Knicks at Philadelphia. Boston fell 18 points behind and never could catch up.

Victory would have enabled the Celts to tie the league record of 15 straight wins at the start of a season set by Washington in 1948. Then they could have taken aim at the all-time winning streak mark of 17 games, also held by Washington.

In other league games Thursday night, the Philadelphia Warriors nipped Syracuse, 102-98, in the other game at Philadelphia and the host St. Louis Hawks downed the Cincinnati Royals, 112-96.

The Hawks' win was their seventh straight and boosted their Western Division lead to two games.

Fined for Possession Of Untagged Geese

The Grassy Lake hunting club at Ware, Ill., with Loy L. Ryan, Jonesboro, licensee, was fined \$25 and costs for possession of untagged geese by U. S. Commissioner Parry L. McCabe in Harrisburg Wednesday. Two geese were confiscated and ordered by the court to be given to charity.

For 1958, Mercury adds an all-new series—the Park Lane—Magnificence Unlimited! In styling, it's a car of surpassing beauty, of distinguished fabrics, of hand-crafted appointments. In size and comfort, it compares with many of the biggest and costliest cars.

It has the solid heft of a big car, too—2½ tons on a 125-inch wheelbase that cradles you in comfort . . . with more generous proportions to relax in. And the Park Lane is so easy to handle, so smooth and quiet to ride in.

You travel the miles in a wonderful realm of ease, thanks to new Limousine Ride—quiet, jolt-free, relaxing. Limousine Ride, an exclusive in all '58 Mercurys, gives you the greatest array of bump-smothering features ever put between you and the road. And there's another big plus in the Park Lane's ride—it's "library quiet" . . . because of a specially designed "Sound Blanket" which is three to four times more effective in blocking under-the-hood and road sounds than ordinary insulation.

The Park Lane has a standard 360 hp Marauder V-8 engine with Cool-Power Design that answers instantly to your command—teamed with a new Multi-Drive automatic transmission as standard equipment that lets you "tailor" your driving to any road or traffic situation. In performance, the Park Lane compares with any car—including those that cost hundreds of dollars more.

Everything imaginable has been done to increase your pleasure while driving this luxurious new Mercury. Every Park Lane has, as standard equipment, a Keyboard Control that puts every driving motion at your fingertips—power steering that eliminates 80% of the work of steering, turning and parking—power brakes that adjust themselves.

No other car on the American Road offers you such Magnificence Unlimited—the Park Lane by Mercury.

Morocco Orders Forces to Fire On Spanish Planes Over Territory

RABAT, Morocco (AP) — Moroccan officials said today Spanish warplanes repeatedly bombed Moroccan territory around the embattled enclave of Ifni.

Spain is using planes to support reinforced ground troops in the battle against irregular Moroccan

forces seeking to capture the tiny territory.

Crown Prince Moulay Hassan announced Thursday he had ordered the 300,000-man strong Moroccan royal armed forces to fire on any aircraft that violated Morocco's airspace.

Ifni, on the southern coast of Morocco, has been held by Spain for nearly 100 years under international treaties. Moroccans have been demanding it be returned to their newly-independent nation.

Two Villages Bombed

According to authorities at Agadir, port town 55 miles up the coast from Ifni, Spanish planes bombed two Moroccan villages close to the enclave's western frontier Thursday morning.

Deputy Foreign Minister Abdelkrim Benjeloun Thursday told newsmen that the fighting in Ifni was touched off last Saturday by a Spanish bombing raid against the population of Agadir Province. The province borders the Ifni enclave on three sides.

In Madrid, authoritative sources emphatically denied either planes or troops had violated the frontier.

They maintained air and ground operations were concentrated on clearing out the Moroccan irregular forces from Ifni.

Spaniards Angered

Spaniards were reported angered at Hassan's "shoot on sight" orders and his charge that two Moroccan women were killed in Spanish air attacks.

The reports from Madrid said there was still guarded optimism that the fighting would soon be ended and that Spain and Morocco could work out their dispute over the 528-square mile territory.

Morocco's ambassador to Spain, Mohamed Auad, returned to Madrid by plane Thursday night after urgent consultations with Moroccan government officials in Rabat.

Turncoat Given Cool Reception Leaves Home

BIG STONE GAP, Va. (AP) — Korean War turnabout Edward Dickenson, apparently angered by a cool reception in his home community, stalked out of his parents' home before Thanksgiving dinner was served Thursday and disappeared.

The 27-year-old Korean veteran dodged reporters throughout his visit to the Cracker's Neck community and gave no indication where he was headed.

Earlier this week he had announced plans to attend a school for the ministry in Nashville, Tenn., but later said he might not be able to afford the training.

Mr. and Mrs. Van Buren Dickenson, the parents, would not discuss their son's plans with newsmen, but said he left shortly after hearing a radio broadcast which quoted Sheriff John Willis as saying "most of the people (in Cracker's Neck) consider him just a jailbird."

Eldorado Manufacturing Company Sends 'Thanks' To The Daily Register

A "thank you" letter from the Eldorado Manufacturing Corporation has been received by The Daily Register.

A story and pictures of the operations of the new business at Eldorado appeared in the Nov. 20 edition of The Register, prior to the "open house" held by the Eldorado Manufacturing Corp. on Saturday, Nov. 23.

The letter, signed by Kenneth G. Douglas, president, says in part: "On behalf of the officers and directors of the Eldorado Manufacturing Corporation, I wish to thank you... The story was very complete and I am sure had much to do with the large attendance we enjoyed at our 'open house' on Nov. 23."

Three College Students Held For Robbery

CHICAGO (AP) — Three young college students were arrested early today when they tried to finance a trip to Calumet City's night spots with a gas station robbery.

They are James Leonard, 19, Chicago, a student at John Carroll University, Cleveland, Ohio; George Christopher, 18, Chicago, and George Dynant, 19, Oakland, Calif. Christopher and Dynant are students at the University of Notre Dame in South Bend, Ind.

Gas station attendant Lloyd Nolto told police three young men entered his station on the South Side early today and went to a washroom.

Returning, one of the students pushed something hard in Nolto's back and demanded "the big roll." Nolto told them he had no large amounts of money and turned over \$10 in a coin changer and \$25 in cash.

He called police as soon as the young bandits left and furnished the identification of their car. Policeman Bruno Canale said the car stopped at an intersection and asked directions. Seconds later he received a call to be on the alert for their car.

He pursued them on a three-wheeler and found the coin changer in the back of their car, along with a lineoleum knife. Police said Christopher probably pushed the handle of the knife in Nolto's back.

The youths said they robbed the gas station in order to visit the "Neon Strip" in suburban Calumet City, police said.

Predict Sputnik I Rocket to Plunge To Earth Sunday

CAMBRIDGE, Mass. (AP) — Scientists predicted today the rocket of Sputnik I will plummet to the earth Sunday, possibly in the U. S. either at dawn or sunset.

Dr. Fred L. Whipple, director of the Smithsonian Astrophysical Observatory, said the rocket "very likely will come down north of the Equator — between the Equator and 45 degrees latitude on a northerly path."

This means the death site could be anywhere within a 3,500-mile band around the world north of the Equator. That area includes most of the United States and heightens the possibility the rocket will fall in this country.

lent" progress from the attack Monday which caused a temporary speech difficulty. It also kept alive hopes that he still might be able to attend the North Atlantic Treaty Organization (NATO) "summit" meeting in Paris Dec. 16-18 to take the lead in rallying Western nations against Russia's space missile and scientific threat.

Hagerty said Thursday the President's doctors "will decide later" on the Paris trip. He did not say when.

Hagerty said if Eisenhower does not go to Paris he will send Vice President Richard M. Nixon in his place. The NATO nations agreed Thursday to go ahead with the chiefs-of-state meeting in either case.

Hagerty said the President will conduct government business at Gettysburg "if there were matters that needed his attention."

A strong current of optimism prevailed Thursday in all matters relating to the President's progress. The top was his unheralded attendance at the National Presbyterian Church — his first public appearance since his illness.

Hagerty said the President later sat down with his family to a 40 pound turkey with all the fixings.

The President's decision to escort his wife to church was announced with dramatic suddenness at the end of a Hagerty morning news conference. The President had already left for church when Hagerty gave the word.

Hagerty declined to be drawn into speculation on the length of the President's recuperation period. Doctors said Tuesday it would take several weeks.

Reveal Sinking Of Soviet Ship With 1,500 Dead

COPENHAGEN (AP) — A 23,000-ton Soviet battleship sank in the Black Sea two years ago with a loss of 1,500 lives, a Danish newspaper said today.

The Bonn (West Germany) correspondent of the Danish paper Berlingske Tidende said this was disclosed by Red navy Capt. Lev Predtschevski who defected to Western Germany recently.

The ship was the 23,000-ton Novorossiisk, formerly the Italian Giulio Cesare, the paper said.

According to the Russian view the ship was too weakly armed when delivered by Italy in 1948 and consequently it was "modernized" at the Nikolayev yard, getting such heavy guns that its seaworthiness was vastly reduced, Captain Predtschevski said.

The disaster occurred when the ship was entering Sevastopol harbor after the autumn maneuvers in 1955.

Suddenly an explosion tore a huge hole in her side and the ship's commander was about to let the crew abandon the ship, when the deputy commander of the Black Sea navy, Admiral Parchomenko ordered all officers and hands to stay aboard.

Two tugboats tried to ground the sinking warship on a sand barrier outside the harbor, but still in tow—the ship suddenly capsized and sank within four minutes, dragging 1,500 officers and crewmembers, who were caught below deck, to the bottom.

An investigation committee soon established that the explosion was

Driver Falls to Death After Auto Hits Bridge Rail

ST. LOUIS (AP) — Maurice Almors, 22, St. Louis, fell 60 feet to his death today after his car crashed into the guard rail of the McKinley Bridge.

Police found Almors' body on a pile of steel tubing at the Bierman Iron and Metal Co. beneath the bridge.

Officers said skid marks showed Almors struck the guard rail twice before being thrown from the car and falling through a three-foot opening in the bridge floor.

Almors, a Negro, was driving his father's car.

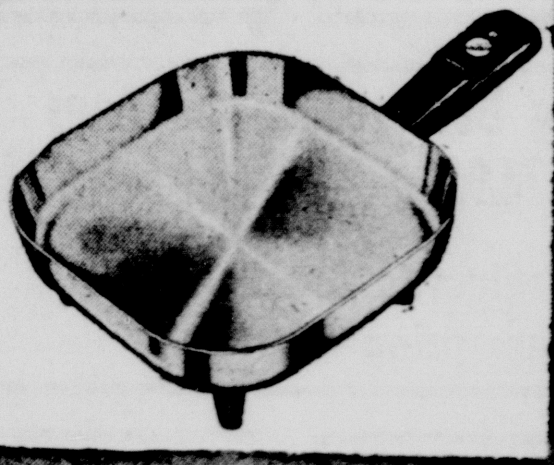

Police said the bridge was wet and slippery when the accident occurred.

caused by a German mine from World War II.

Admiral Parchomenko, who had issued the fatal order that killed 1,500 sailors, was later court-martialed and degraded as responsible for the disaster, the newspaper said.

Thinking It Over

By Robert L. Dieffenbacher, D.D.
(Written for NEA Service)

Clocks and bushel baskets both offer commodities offered for sale on the market places of the world. We buy and sell time by the minute or by the hour. We trade wheat by the bushel measure. In

fact, we barter so many bushels of wheat for so many hours of labor.

Many of us use the clock more to measure hours of work than for any other purpose. We use it less frequently to measure our social engagements, yet we refer to it to alert us to scheduled appointments with other people. We divide our days of 24 hours so that business and pleasure may be given adequate fractions of each day.

The Daily Register, Harrisburg, Illinois
Friday, November 29, 1957
Page Thirteen

We also mark out specific portions of time for eating and sleeping. We frequently devote "left-over" minutes for prayer, devotion, worship and study of God's message for man. In measuring out our time, let us schedule definite time each day for our spiritual activities.

Mitchell Named Jayhawk Coach

LAWRENCE, Kan. (AP) — Jack Mitchell, a youthful Kansas native whose 1957 Thanksgiving produced a dream come true, today owned the coaching job he wanted most less than 10 years after his Oklahoma graduation.

The fast-rising Mitchell was named early Thursday to replace Charles V. (Chuck) Mather at the Kansas Jayhawk football helm. Mitchell, who broke a new 10-year contract at Arkansas to come here, was signed for five years at the same \$15,000 annually he had earned at Fayetteville, Ark. Mather, who made \$11,000 annually, resigned with five assistants Oct. 30 after a midnight meeting in which the group decided "we cannot solve the Kansas football problem." Subsequently, the team responded with four straight victories to earn the Big Eight runnerup berth to Oklahoma. Overall, Kansas was 5-4-1 and Mather's record for four years was 11-26-2.

IHSA Sets 18- Game Limit for High Schools in '60

CHICAGO (AP) — Illinois high schools will be restricted to no more than 18 basketball games plus two invitational tournaments and the state championship series, starting in 1960, Executive Secretary Al Willis of the state high school association announced today.

Willis said the limitation was approved by a vote of 354 to 280. The change will cut two games off the schedules now allowed.

The rule will become effective July 1, 1960 and apply to the 1960-61 season. The waiver in the current rule which permits a team

not participating in any invitational tournaments to play three more games will be retained in the changed regulation.

Vaughn Favored Over Tiger Jones Tonight

NEW YORK (AP) — Middleweight Willie Vaughn is favored at 7-5 to beat Ralph (Tiger) Jones tonight in their substitute TV 10-rounder at Madison Square Garden.

It will be televised and broadcast nationally by NBC at 9 p. m. c. s. t.

Lions Defeat Packers, 18-6

DETROIT (AP) — A dressing room play that worked for a 62 yard touchdown and the oldest player on the squad have the Detroit Lions back in contention today for the National Football League's Western Division title.

"We talked over about five plays during the half," said Lion Coach George Wilson who admitted he was a "little" mad after Detroit muffed four first half drives with fumbles and pass interceptions.

One of the five plays resulted in the only touchdown of the game and the oldest man—33-year-old Jim Martin, kicked three field goals as the Lions whipped the Green Bay Packers, 18-6, in a nationally televised mud battle at Briggs Stadium. It was the NFL's only game.

The touchdown, which came on Detroit's first play from scrimmage in the second half, had quarterback Tobin Rote faking a pitchout to Gene Gedman and then handing off to John Henry Johnson who burst through a gaping hole at right guard and pounded to the end zone untouched after reaching the 50.

The victory put the Lions a half game behind the division leading Baltimore Colts who have three games left to Detroit's two. The Colts face Los Angeles twice and the Forty Niners at San Francisco. The Lions play the Cleveland Browns and the Bears at Chicago.

Texas Upsets Texas Aggies, 9-7, to Scramble Bowl Plans; Navy Favored Over Army

By United Press
Navy, a six-point pick over Army, and other bowl-conscious teams playing Saturday were given a stern warning today—beware the fate of the Texas Aggies.

The Aggies, with a chance to clinch a tie for the Southwest Conference championship and virtually assure themselves of a bowl berth, were upset, 9-7, by Texas in Thanksgiving Day's big football surprise on a 28-yard field goal by Bobby Lackey.

Now the Cotton and Sugar Bowl pictures are all scrambled, along with the Southwest title race.

Rice (4-1-0) must beat Baylor in its winnow Saturday to top Texas (4-1-1) for the league title and clinch the host berth in the Cotton Bowl. And both teams, along with the still hopeful Aggies, are in contention for a bid to the Sugar Bowl if they miss the Cotton.

Navy, favored in the annual classic at Philadelphia on the strength of Tom Forrestal's passing against a supposedly second rate Army air defense, is known to be receptive to a Cotton Bowl bid if it wins this one. Spoiling those ideas might sound like fun to the Cadets.

Mississippi, the leading bowl-eligible team in the Southeastern Conference, seems in line for a Sugar Bowl bid but is picked Saturday by only four points over Mississippi State.

Other "Turkey Day" highlights saw Utah and VMI win conference championships and Brown and Denver win regionally televised games.

Utah wrapped up the Skyline

Conference crown with a 21-6 victory over Utah State.

VMI Downs Virginia Tech

Halfback Bobby Jordan scored twice on goal-line smashes for VMI for their 14-6 victory over Virginia Tech. After the game VMI players, who reportedly had "feelings" from the Sun and Tanager Bowls, voted against post season play and the coach admitted he was "surprised."

Frank Finney passed for two touchdowns and ran 95 yards for another in Brown's 33-7 win over Colgate. Sam Paganoni's conversion with 2:12 minutes left gave Denver a 14-13 win over Wyoming on Far West TV. The Texas-Texas A&M game was screened in the South, Southwest and Midwest.

Fred Doelling rushed for 163 yards for Pennsylvania in a 14-6 Ivy League win over Cornell as the game ended with a Cornell TD and a fist fight and Mickey Marinkov's 79-yard punt return TD gave Richmond a 12-7 win over William and Mary.

Thelan Sparks Miami

Dave Thelan's second touchdown, cracking a fourth-period tie, gave Miami (Ohio) a 20-14 win over Cincinnati.

Saturday's big program winds up the 1957 gridiron season, except for a pair of top games next week.

Other Saturday features include: Auburn, 14-point pick over Alabama, seeks to clinch the Southeastern Conference title and finish a perfect season; Arizona (Tempe) State also out to finish a perfect season and clinch the Border Conference title by beating Arizona; Oklahoma picked by 20 over Oklahoma State; Georgia Tech by seven over Georgia; Holy Cross by three over Boston College; SMU three over Texas Christian; and Notre Dame by 14 over Southern California.

Wilmoth to Play In Last Game for Army Saturday

Fred "Catfish" Wilmoth, Harrisburg's first string tackle on the U. S. Military Academy's football team, will be making his last collegiate grid appearance Saturday in the annual Army-Navy football game at Philadelphia.

Seeing him play will be a number from this area, including his parents, Mr. and Mrs. Fred Wilmoth, Mr. and Mrs. Ward Ozmert and Dr. and Mrs. B. E. Montgomery of Harrisburg and Mrs. Wilmoth's sister, Mrs. Curtis Downen, and son, Alan, of McLeansboro.

Young Wilmoth's number is 76 and he plays right tackle on offense and left tackle on defense. Although he will have another year at West Point, Wilmoth will not be eligible to play football next fall because he used up one year of eligibility when he lettered as a sophomore at the University of Illinois.

The Army-Navy game will be televised over WSIL-TV and numerous friends of "Catfish" will be able to see him in action on their television screens.

SOCIAL EVENTS

BY PAT FLYNN

Dorcas Sunday School Class Elects Officers At Thanksgiving Meeting

The Dorcas Sunday school class of the First Methodist church met Nov. 18, at the home of Mrs. Muriel Thomas for the regular meeting. Thanksgiving party, and annual election of officers. Miss Maxine Davis was the assistant hostess.

The home was beautifully decorated with pyroanthema, roses and yellow chrysanthemums and these complementing the newly decorated home made a very lovely setting for the affair, which was one of the most delightful social events of the year. Mrs. Marie F. Harris, and Mrs. Osbia Austin, a guest and mother of Mrs. Thomas made possible the floral arrangements.

The meeting was called to order by President Mrs. Juanita Rodocker, and was opened with the group singing the song, "What A Friend We Have In Jesus." Mrs. Gertrude Russell, teacher of the class, accompanied at the piano.

Mrs. Olive Davis led in prayer, after which the Lord's Prayer was repeated in unison. Mrs. Juanita Rodocker presented the devotion. The title of her lesson, "A Prayer of one Afflicted," taken from Psalm 103, included thoughts taken from the "Upper Room," and concluded with a prayer for a better nation.

Roll was called and all committee reports were given. Mrs. Essie Mottisinger stated that a \$10 contribution from the class had been applied on the new tile floor covering the church.

Mrs. Blossom Stallions, treasurer, was absent because of illness.

Birthdays observed for the month of November were, Mrs. Clara Edwards, Mrs. Pauline Thornton, Mrs. Mary Tanner, Mrs. May Lambert, Mrs. Blossom Stallions, Mrs. Goldie Martin.

New officers elected were: Mrs. Marie F. Harris, president; Mrs. Mary Venita Beggs, vice president; Mrs. Muriel Thomas, Mrs. Blossom Stallions treasurer. The flower committee is Mrs. Audie Henshaw, Mrs. Gertrude Russell, and Miss Maxine Davis. The installing officers are Mrs. Pauline Thornton, and Mrs. Mary Tanner and the installation of officers will be at the first meeting in January.

The business session was closed with Mrs. Norma Schreffler offering prayer.

Mrs. Clara Edwards and Mrs. Thelma Storme had charge of the recreation. Great interest was created when they presented a series of unique contests. The "highlight" of the evening was the contest, "chewing gum and toothpick" turkeys, which was won by Mrs. Effie Travelstead.
